

Green Program

SmartelligentZ offers a GREEN program which emphasizes a global holistic approach to environmental issues. The students are encouraged to make small changes in their lives thus, challenging them to become environmental stewards, and leaders of tomorrow.

The program includes hands on activities, and teaches them practical GREEN solutions. Consequently, they will be inspired to bring this change to their community.

Program Details
Session 1 - Introduction to Green and related hands on activities (Eco House...) Date : 9/20/2010 – 10/30/2010
Session 2 – Non-Renewable Energy and related hands on activities (Merry-Go-Round) Date : 11/01/2010 – 12/17/2010

Please submit the completed form below with the check to your teacher by Sep 10th

Select your school

- Tom Matsumoto - Mon, 2:15pm - 3:30pm

Student Information		Parent Information	
Name		Name	
Grade		Phone	
Room		Email	

Cost : \$105/Student/Session (6 weeks)

Registration Fee : \$25/session **or** \$50/all 4 sessions - Non-Refundable

Select one of the following

- All Sessions (Session 1, 2, 3, 4) : Total Cost - \$470 (\$105 x 4 + \$50)
- Session 1 : Total Cost : \$130 (\$105 + \$25)

Checks can be made payable to "SmartelligentZ"

Note: To ensure the full understanding of the program, we recommend enrolling in all four sessions. This will entail total registration cost of \$50 instead of a \$100 thus, cost saving of \$50
